

## Welcome Address

Dear Colleagues and Friends,

On behalf of the Organizing Committee of China Heart Congress (CHC) 2019 Cardiovascular Health Summit – Shenzhen sponsored by National Center for Cardiovascular Diseases, China (NCCD), *Chinese Circulation Journal* and Beijing Kaiqi Cardiovascular Foundation; it is my privilege to invite you to this academic event, which be held on Friday, November 1<sup>st</sup> through Sunday, November 3<sup>rd</sup>, 2019 at the Futian Shangri-La Hotel, Shenzhen China.

As one of the largest and most educational cardiovascular conferences in Asian-Pacific Region, it is expected that more than 3,000 participants will attend the meeting. As we all know, cardiovascular disease is the leading cause of death in China and in the world, and causes huge economic burden. The theme of CHC 2019 Cardiovascular Health Summit – Shenzhen is “New Era · New Journey - Innovation, Translation, and Cooperation”. We sincerely hope you could participate in this exciting event and share your expertise with the audience from China and various countries about the advanced techniques and clinical investigation in cross division of this field.

CHC 2019 Cardiovascular Health Summit – Shenzhen has been designed to provide an innovative and comprehensive overview of the latest research developments in cardiovascular medicine. It includes more than 10 scientific sessions, which has covered the topics in epidemiology and prevention, cardiovascular imaging, general and interventional cardiology, cardiovascular surgery in depth. Participants will also have the opportunity to visit the exhibition area and meet with technologists to discover the most recent state of the art technologies and devices.

I look forward to welcoming you all in Shenzhen.

Yours Sincerely,
